Will you be one of the folk to fight for the NHS? □

Please join us at Stroud Old Town Hall this coming Saturday 21st October for an event for anyone interested in getting involved in NHS campaigning locally.

Displays and drop-in 10am-12noon,

Workshop 12noon-2pm.

- Do you want to know more about what is being done to the NHS?
- Want to understand the impacts of cuts and privatisation locally?
- Want to do something to prevent and reverse privatisation?
- Fancy working with others including those who've had success fighting NHS privatisation locally in the past?

Then come to our "Will you be one of the folk to fight for the NHS?" event this coming Saturday 21st October.

We're hoping to create an open and welcoming space for anyone interested in NHS campaigning - from 10am-12noon we'll have displays with information, videos, and an opportunity to ask your questions one-on-one.

Then from 12noon till 2pm we'll have a workshop exploring what people know, what's going on, and what we can do to defend the NHS here in Stroud and Gloucestershire.

There's a lot to do, and we'd really appreciate help - come and find out how you can contribute.

More details and articles about NHS issues we will discuss on the day in [our latest newsletter](#) .
